

22563VIC Certificate III in Musical Instrument Making and Maintenance

The Certificate III program is an introductory course that is delivered as part of VET in Schools and is only available to secondary school students. This is delivered one day a week (Wednesdays) over two years, incorporating a range of woodcraft skills necessary for building percussion instruments, ukuleles, slide guitars, as well as an introduction to basic woodwind repair.

ACTIVITIES/TASKS

After an extensive OH&S program, combining theory and workshop induction, students will build an electric guitar neck, percussion instrument (stomp box, cajon and xylophone), make basic woodwind instruments and an electric slide guitar. In second year, the students build a tenor ukulele, a travel mandolin and a solid body electric guitar. Students learn to repair a drum kit and a clarinet.

After completing all assigned tasks students are encouraged to bring in personal projects and learn the basics of guitar set up and repair.

LENGTH OF COURSE

Students commencing this as part of their Year 10 or Year 11, VCE VM program will complete the program over two years and attend for a half day per week (Feb-Nov). External students enrol through their home school.

ELIGIBILITY & PREREQUISITES

There are no prerequisites for this course, however an interest in woodworking skills is an advantage and an aptitude for practical work is recommended. Minimum language, literacy and numeracy skills are required. If you have individual needs, please contact the college to discuss.

ASSESSMENT

The course runs over two years. In the first year, you complete two instruments and an introductory piece.

In your second year, you complete two instruments and various instrument repairs. The applied nature of the course requires a commitment to full attendance to successfully complete your instruments and the assessment. Assessment is undertaken by a qualified assessor and competence is judged against the set criteria using all these completed tasks.

Students will be given a fair and adequate assessment process that includes multiple opportunities to demonstrate competency.

BENEFITS OF TRAINING

Students completing the Certificate III in Musical Instrument Making and Maintenance gain a solid foundation in musical instrument making and maintenance skills and can sample what the full time Certificate IV in Musical Instrument Making & Repair course involves.

APPLICATION & ENROLMENT PROCESS

Students wanting to study full time at NCAT must arrange an interview phone 9478 1333. External students must complete two forms.

1. An Application Form given from home school for approval at the home school level.
 2. An NCAT RTO VET Enrolment Form available from the home school VET coordinator or at ncat.vic.edu.au or the Northern Melbourne VET Cluster website nmvc.vic.edu.au
