

NCAT PARENT PAYMENT ARRANGEMENTS 2023

Dear Parent/Guardian,

Northern College of the Arts & Technology is looking forward to another great year of teaching and learning and would like to advise you of NCAT's voluntary contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

The educational programs and the level of student services offered at NCAT, which provides specialist programs, materials and equipment stretch far beyond the basics. As such, the NCAT Council requests that parents make a contribution to allow the school to deliver these quality, specialist and unique programs and services to our students that meet the community expectations.

NCAT does not run fund-raising activities and these voluntary contributions are critical to the college being able to provide the quality hands-on programs and services it is renowned for.

We want to thank you for all your support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Raffaella Galati-Brown
Principal

David Redfearn
School Council President

YEAR 10 ARTS PROGRAM 2023

NAME: PROGRAM: STUDENT ID:

Curriculum Contributions - items and activities that students use, or participate in, to access the Curriculum		Amount
Student ID Card		\$15
English		\$10

(this is important, so we can allocate the funds accordingly)

Please Note: BPAY is no longer available, if you are a returning student/family please ensure you use one of our other options that have been made available

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
