LENGTH OF COURSE

This course can be completed as a full time NCAT Pre-apprenticeship student only in 2025. NCAT Pre-apprenticeship students complete one year as a partial completion and receive a statement of attainment. Full time NCAT students may have the opportunity to complete the remaining units to achieve all nineteen units and receive the full certificate.

ELIGIBILITY & PREREQUISITES

A minimum sound achievement of Year 10 Maths and English or equivalent and an aptitude for practical work is recommended. If you have individual needs, please contact the college.

ASSESSMENT

Practical project work assessed by observation and questioning, and written tasks are all assessed using set criteria. Students are required to undertake a minimum of 80 hours of Structured Workplace Learning.

Students will be given a fair and adequate assessment process that includes multiple opportunities to demonstrate competency.

BENEFITS OF TRAINING

This course is an introduction to the Building and Construction industry and a pathway into an apprenticeship in this area. The course helps students make an informed choice of vocation or career path.

Many of our students are offered jobs or apprenticeships either during their Structured Workplace Learning placement or when they complete the course.

PATHWAYS

The course is an excellent foundation in the construction industry and a pathway for Certificate III in Painting & Decorating and an apprenticeship.

POLICIES

The NCAT VET and General Student Handbook on our website contains policies and procedures for access, equity, privacy, refunds, student conduct, recognition processes, access to records, complaints & appeals.

For safety reasons there is a NCAT uniform for this course which is not included in the materials cost.

Parents will receive a letter outlining specific details of the uniform and the supplier.
